9009 Deviation Rd
Nottingham, Maryland 21236-2098

Dear Mr. Lee:

This letter is to inform you that Baltimore County is processing the contract for the repairs to the North Gate Hall Stormwater Management Facility and intends to award to the firm of Baran Brothers Inc. The price quote for the repair of this facility is \$178,910.00.

The Department of Environmental Protection and Resource Management in conjunction with the Office of Law will be contacting you to complete the items outlined in the Agreement between Baltimore County and The North Gate Hall Community Association, Inc. This process should be completed within approximately three weeks. The County anticipates our contractor to begin the construction on or about August 24, 2009.

Sincerely,

Jonas A. Jacobson,
Director
