Dear Secretary,

I am aware of the Special Meeting for Northgate Hall community members to be held at the Perry Hall Library, 9440 Belair Road, Nottingham, Maryland 21236-1543 on July 31, 2008 at 7PM.

I am also aware of the motion on the floor to assess each household a **one time Special Assessment of \$500.00**, which is for the purpose of repairing our community storm water management pond as mandated by Baltimore County (DEPRM) office and the repair of the washout of land caused by the heavy rains of May 2006. This washout is located behind the 9100 block of Deviation Road. This one time assessment is for all cost associated with the above.

I am unable to attend this meeting. Therefore by this proxy, I vote in favor of this one time Special Assessment of \$500.00 and hereby authorize the secretary to cast my vote.

Sincerely,
